[I support the protestors and this community's optimism...](#)

posted 19 hours ago by [LAlilli](#) +9 / -0

I was disheartened at first by Trump's message and his team. Your optimism (and let's be honest tinfoil hatters) have at least wedged a small hope back into me. We have until the 20th, not going to hold my breath but I will join you for now in your hope.

And if by some crazy art of war plan Trump and America succeeds, then I will be the first to admit I shouldn't have doomed. But I also believe this is bigger than Trump and, even if he wins, we cannot get complacent. Never put your faith and hope entirely in one person, control your own fate and destiny.

Again, I hope I am proven wrong about my initial disappointment with Trump and his team.

Keep up the optimism you "terrorizing" pedes ;)

As I stood by the Capitol I felt like I was looking at it for the first time and really seeing it. It is full of many evil people. NOT ALL BUT TOO MANY EVIL PEOPLE. however I felt a calm come over me. It felt like Gods plan was underway and all will be revealed. The Capitol is just a building like any other. America existed before it was built and will exist well after it is gone. AMERICA IS WE THE PEOPLE UNDER GOD.

Just pay close attention to how you would expect petiole to be reacting to what msm is saying and what a real human response would be. It's all fake. Apply it to the plandemic as well. Emotionless emotional pleas of psychopathic ccp agents covering their fear. They only physically say the right words in the moment. Just like the brainiacs and straight a students that could never apply anything outside the classroom
